MOSCOW, Feb. 11.—Dr. Eleanor Lansing Dulles, sister of Secretary of State John Foster Dulles, is the latest member of her family to be regarded here as a sinister character.

The newspaper "Trud" told its readers today that Dr. Dulles is nothing more than a spy sent to West Berlin to organize and finance "new acts of sabotage" against East Germany. "Trud," quoting "Neues Deutschland," an East German Communist paper, said her mission is to inspect spy groups and incite "new gangster acts against the German working people." No source was given for the allegations.

Previously, Mr. Dulles' brother Allen W. Dulles, director of the Central Intelligence Agency, was attacked here as a "spymaster."
